STANDARD EQUIPMENT.

650i

Transmission and technology	
2TB 8-speed sport automatic transmission with Steptronic , incl. gearshift paddles on steering wheel	■
Aluminium integral rear axle	■
Auto Start/Stop function , reduces fuel consumption by switching off the engine when the vehicle comes temporarily to a stop	■
BMW TwinPower Turbo 8-cylinder petrol engine , combines two turbochargers with Double VANOS and High Precision Injection	■
Brake Energy Regeneration , improves fuel efficiency and ensures that the full power of the engine is available for acceleration	■
M Sports exhaust system	■
2VA Adaptive Drive , incl. Dynamic Damper Control (223) and Dynamic Drive. Dynamic Drive features anti-roll bars on the front and rear axles, to reduce rocking motion to a barely perceptible minimum	■
223 /229 Dynamic Damper Control , adapts the shock absorber characteristics to the driving situation, adding Comfort+ mode to Dynamic Driving Control	■
Brake-pad wear indicator	■
Condition Based Service , inspections are scheduled to suit the way in which the car is driven	■
Double-wishbone front suspension	■
Driving Experience Control , enables individual adjustment of drivetrain and suspension components (Comfort, Sport and Sport+)	■
Electric power steering with Servotronic	■
ECO PRO Mode , optimises fuel consumption and shows the potential fuel economy in the instrument cluster	■
Parking brake , electromechanical incl. automatic hold function	■
Start/Stop button , incl. keyless ignition	■

Safety	
Active headrests , front, automatic triggering of the headrests in the event of a crash, to reduce whiplash	■
Airbags : driver and front passenger airbags, seat occupancy detector for front passenger airbag; head airbags in the front and rear; side airbags for driver and front passenger	■
Brakes : disc brakes at the front and rear, inner-vented	■
Central locking with electronic immobiliser; crash sensor; fuel tank filler cap integrated with central locking; remote control	■
Dynamic Braking Lights , flashing brake lights and hazard indicator under extreme braking	■
Dynamic Stability Control (DSC) incl. Anti-lock Braking System (ABS), Cornering Brake Control (CBC), Dynamic Traction Control (DTC), and Brake Assist	■
Safety body shell : bumper system with deformation zones at the front and rear, easily-replaceable deformation elements capable of absorbing impacts at speeds up to 15km/h; side impact protection, active bonnet	■
Seat belts : 3-point seat belts in all seats, incl. belt stopper, pyrotechnic belt tensioner and belt force limiter in front	■
428 Warning triangle and first aid kit	■

■ Standard □ Optional NCO No Cost Option

STANDARD EQUIPMENT.

650i

Wheels and tyres

2W7 BMW light-alloy wheels, Multi-spoke styling 616, with mixed run-flat safety tyres, 8.5 J x 20", 245/35 R20 at front, 9 J x 20", 275/30 R20 at rear. Snow chains cannot be fitted. ■

258 Run-flat safety tyres incl. run-flat indicator ■

Driver assistance

544 Cruise Control with braking function ■

610 Head-Up Display, full colour ■

508 Park Distance Control (PDC), front and rear ■

5DL Surround View incl. Top View and Side View. Top View provides a bird's-eye perspective of the vehicle; Side View provides visibility in situations where vision is obscured, through cameras located each side of the front bumper (includes Rear View Camera 3AG) ■

5DP Parking Assistant, uses ultrasonic sensors to search for and identify parallel parking spaces, then steers the vehicle into the space whilst the driver operates the accelerator and brake ■

Speed Limit Device, enables setting of desired maximum speed ■

5AS Driving Assistant comprises former Lane Departure Warning as well as a pedestrian and collision warning with braking function. The system detects vehicles driving ahead and, at speeds of up to 60 km/h, also persons who are on a possible collision course. In an identified hazard situation, the driver is warned by means of visual and acoustic signals. In order to shorten the stopping distance, the braking system is simultaneously preconditioned. Furthermore, at speeds of up to 60 km/h an emergency braking maneuver with medium deceleration is also activated in order to reduce speed and draw the driver's attention to the critical situation. ■

5AG Lane Change Warning System, detects and alerts driver to oncoming vehicles and vehicles in driver's blind spot when the indicator is activated, with a discreet vibration of the steering wheel and visual warning on the exterior mirror ■

Climate comfort and glazing

4NB Automatic air conditioning with 4-zone control, fully automatic temperature control with temperature stratification and air volume control. Controlled by means of separate displays for driver/passenger and rear passengers. Residual heat utilisation. Including Automatic Air Recirculation (AUC), solar sensor and fogging sensor. ■

Light and sight

552 Adaptive LED Headlights, for high and low beam, featuring LED-based turn indicators ■

4UR Ambient light incl. vicinity lighting ■

3rd Brake Light, integrated in the roof across the entire width of the rear window ■

431 Exterior mirrors, aspheric, electrically adjustable, heated, incl. folding function ■

5A1 Fog lights front and rear, LED ■

5AC High-Beam Assist, automatically switches between high and low beam ■

430 Interior and exterior mirrors with automatic anti-dazzle function ■

6WB Multifunctional Instrument display ■

521 Rain sensor, incl. headlight activation and fogging sensor ■

■ Standard □ Optional NCO No Cost Option

Entertainment, communication and information

AUX-IN connection

6NS Convenience telephony with extended smartphone connectivity, incl. Bluetooth audio streaming, USB, pairing of multiple Bluetooth devices, office functions (phone dependant) and album cover display. See bmw.com/bluetooth for a list of compatible mobile phones

688 harman/kardon surround sound system, digital amplifier with individually adjustable equalising, 600 W amplifier power, 9 channels. High-quality speakers with chrome application. 16 loudspeakers

iDrive Controller on centre console, incl. one-touch keys

609 Navigation System Professional with 10.2" Control Display, iDrive Controller, split screen function, 3D maps, satellite images and electronic owner's handbook. Incl. Radio Professional with DVD drive (triple-tuner, Audio/video DVD playback and MP3 decoder) and 12GB hard drive for storage of audio files.

601 TV function, analogue/digital reception (DVB-T)

BMW ConnectedDrive Services

6AC BMW Intelligent Emergency Call, automated transmission of vehicle accident information and telephone call for assistance to the BMW ConnectedDrive Call Centre. Emergency services are informed and deployed if required. Manual emergency call can also be initiated via the SOS button. Lifetime subscription.

6AE TeleServices, automated transmission of service-related vehicle data to the service dealer. Includes TeleServices Battery Guard and BMW Breakdown calls to Roadside Assistance. Lifetime subscription.

6AK ConnectedDrive Services and Apps, contains the mobile internet portal BMW Online (incl. access to emails, weather information, news) and permits the integration of certain smartphone applications (Apple and Android devices), such as e.g. BMW Connected App. 3-year subscription.

6AM Real Time Traffic Information, supplies real-time traffic information on motorways, minor roads and urban links, with detailed information about the traffic situation on the current route and potential diversions. 3-year subscription.

6AN Concierge Service, provided by the BMW ConnectedDrive Call Centre. Offers the driver person-to-person assistance for selecting destinations and planning a journey. Telephone numbers and address data for the navigation system can be transmitted directly from the BMW Contact Centre to the vehicle. 3-year subscription.

6AP Remote Services, in conjunction with My BMW Remote app for Android and Apple devices. Includes vehicle locator, remote lock/unlock, activate headlight flasher, and Send to Car function. Lifetime subscription.

ConnectedDrive Services are subscription-based services and require a current subscription to 6AK Connected Drive Services and Apps (except 6AC Intelligent Emergency Call and 6AE TeleServices which are permanently activated). All ConnectedDrive Services can be renewed via an online store. Further information on ConnectedDrive Services is available from your BMW Dealer or visit www.bmw-connecteddrive.co.nz.
