# STANDARD EQUIPMENT.

i3

i3 Range Extender

Drivetrain and technology		
BMW eDrive electric motor, 353 V DC with cooling circuit	■	■
Li-Ion battery, consisting of 8 modules. 33 kWh (27.2 kWh net), 94Ah capacity <sup>3</sup>	■	■
BMW Range Extender 647cc 2-cylinder petrol engine generator		■
BMW integrated differential transmission, with single forward and reverse gears. Electronic parking lock	■	■
Brake energy regeneration	■	■
Servotronic variable Electric Power Steering (EPS)	■	■
Condition Based Service, inspections are scheduled to suit the way in which the car is driven	■	■
Electronic differential lock, active in DSC Off mode	■	■
Drive Performance Control with Comfort, ECO PRO and ECO PRO + modes	■	■
Start/Stop button with Comfort Go keyless start	■	■

Charging		
Charging flap on right rear side panel, illuminated, integrated into central locking system, with visual display of charging status	■	■
Charging cable, 5m length with storage space under bonnet. For contingency charging when an AC wallbox is not available	■	■
AC rapid charging capability. Max. Power (grid side): 7.36 kW (1-phase 230 V, 32 A), charging duration: approx. 3 hours to 80%, charging plug type 1	■	■
DC rapid charging. Max. Power (line side): 50 kW (3-phase 230 V, 63 A), charging duration: approx. 30 minutes to 80%, charging plug type 1 CCS	■	■

Safety		
Airbags: driver and front passenger airbags, curtain head airbags in the front and rear, side airbags for driver and front passenger (seat-integrated)	■	■
Brakes: disc brakes at the front and rear, front discs ventilated	■	■
Battery safety cut-off, from drivetrain battery and ancillary 12V battery	■	■
Central locking with electronic immobiliser, crash sensor	■	■
Dynamic Braking lights, flashing brake lights and hazard indicator under extreme braking	■	■
Dynamic Stability Control (DSC) incl. Antilock Braking System (ABS), Brake Assistant, Cornering Brake Control (CBC) and Dynamic Traction Control (DTC). With pullaway assistant, dry braking and breaking readiness	■	■
Lightweight Carbon Fibre Reinforced Plastic (CFRP) body structure, easily-replaceable deformation elements that absorb impacts at speeds up to 15 km/h; integrated side impact protection in doors	■	■
Seat belts: three-point seat belts for both rear seats; three-point inertia-reel seat belts in the front with belt tensioners and belt force limiters	■	■
Anchor points for up to two ISOFIX child seats on the rear seat bench	■	■
Headrests for all seats, front integrated into seat's backrest, rear foldable with height adjustment	■	■
Warning triangle and first aid kit	■	■
Acoustic pedestrian protection, artificially generated sound when driving in pure electric mode, up to 30 km/h to protect other road users	■	■

<sup>3)</sup> The BMW lithium-ion high-performance battery ("high-voltage battery") provides a long service life. For the first 100,000km and a maximum of eight years, any defects of the BMW i3 high-voltage battery will be rectified cost-free and a capacity of 70% guaranteed. CO<sub>2</sub> emissions generated in production and the provision of fuel or other energy sources not accounted for when calculating CO<sub>2</sub> emissions.

## Wheels and tyres

2D6 19" BMW i light alloy wheels star-spoke styling 427, front 5 J x 19" with 155/70 R 19 tyres. Snow chains cannot be fitted. Without run-flat technology.	■	
2G5 19" BMW i light alloy wheels turbine styling 428, front 5 J x 19" with 155/70 R 19 tyres, and rear 5.5 J x 19" with 175/60 R 19 tyres. Snow chains cannot be fitted. Without run-flat technology.		■
BMW Mobility Kit with tyre sealing system	■	■

## Exterior design and equipment

Kidney grille, with black high-gloss centre and BMW i blue surround	■	■
Window recess cover, black	■	■
Exterior parts in body colour: bumpers and door handles	■	■
Exterior parts in contrast high-gloss black: bonnet, roof, rear spoiler, tailgate and exterior mirrors	■	■

## Driver assistance

Park Assist Package, consisting of:	■	■
- Rear view camera		
- Park Distance Control (PDC) front & rear		
- Parking Assistant, , uses ultrasonic sensors to search for and identify parallel parking spaces, then steers the vehicle into the space whilst the driver operates the accelerator and brake		
Cruise Control with braking function	■	■

## Interior design and equipment

Instrument cluster, free standing 5.7" colour TFT display with speedometer, range information, power and battery regeneration display	■	■
12V power socket in centre console	■	■
Armrest, front centre. Foldable with integrated storage compartment	■	■
Leather steering wheel with multifunction buttons, two-spoke	■	■
Electric windows, front. Fixed rear windows	■	■
Electronic drive selector located on steering column	■	■
Electric handbrake, located on centre console	■	■
Automatic air conditioning, with fully automatic temperature stratification and air volume control, including solar sensor and fogging sensor, Max-Cool button, automatic air recirculation control and active carbon microfilter	■	■
Comfort Access System, keyless access to the vehicle		■
Storage compartment package, including: storage net in front centre stack, holding straps on luggage compartment side trims, 12V socket in luggage compartment, storage net on front seat backrests	■	■
Seat heating for driver and front passenger		■
Rear seat with 50:50 split folding	■	■
Active air vent control for the targeted control of air flow to optimise heating and cooling	■	■

■ Standard □ Optional NCO No Cost Option

# STANDARD EQUIPMENT.

	i3	i3 Range Extender
<b>Light and Sight</b>		
Halogen headlights, with daytime driving lights and sidelights with LED technology. High beam halogen lights in front bumper	■	
LED headlights, with low beam, daytime driving lights and sidelights with LED technology. High beam halogen lights in front bumper		■
Rain sensor, for automatic activation / interval control of the windscreen wipers and automatic activation of the driving lights when dark	■	■
Interior and exterior mirrors with automatic anti-dazzle function, including automatic dipping of exterior passenger mirror when reverse gear is selected to aid parking manoeuvres, and electric folding function	■	■
LED high-level brake light integrated in rear spoiler	■	■
<b>Entertainment, communication and information</b>		
6NS Convenience telephony with extended Smartphone connectivity Provision for snap-in adapter (available separately through Genuine BMW Accessories) for charging function and connection to external aerial Includes Voice Control, and extended Bluetooth functionality such as audio streaming, pairing of multiple devices and more, depending on the features of the Bluetooth/USB device Check the compatibility of your mobile phone at <a href="http://bmw.com/Bluetooth">bmw.com/Bluetooth</a>	■	■
Radio Professional, 4 x 25W speakers, FM reception with short rod aerial and signal amplifier	■	■
606 Navigation System Business, including 6.5" full colour display with 800 x 480 pixel resolution. Navigation system with route planning by individually defined criteria and dynamic route planning. Full operation by iDrive controller with direct select buttons. 8 programmable favourite buttons – can be used for menu pages, radio stations or favourite destinations	■	
609 Navigation System Professional, including 10.25" full colour display with 1280 x 480 pixel resolution. Navigation system with route planning by individually defined criteria and dynamic route planning. Full operation by iDrive controller with direct select buttons. 8 programmable favourite buttons – can be used for menu pages, radio stations or favourite destinations		■
On-board computer, incl. average speed, current range, clock and date, navigation information, and service interval messages	■	■
USB audio interface, enables connection of an MP3 player, Apple iPod or USB memory stick via the USB interface	■	■
<b>ConnectedDrive Services<sup>4</sup></b>		
6AC BMW Intelligent Emergency Call, automated transmission of vehicle accident information and telephone call for assistance to the BMW ConnectedDrive Call Centre. Emergency services are informed and deployed if required. Manual emergency call can also be initiated via the SOS button. Lifetime subscription	■	■
6AE TeleServices, automated transmission of service-related vehicle data to the service dealer. Includes TeleServices Battery Guard and BMW Breakdown calls to Roadside Assistance. Lifetime subscription	■	■
6AK ConnectedDrive Services and Apps, contains the mobile internet portal BMW Online (incl. access to emails, weather information, news) and permits the integration of certain smartphone applications (Apple and Android devices), such as e.g. BMW Connected App. 3-year subscription	■	■
6AM Real Time Traffic Information, supplies real-time traffic information on motorways, minor roads and urban links, with detailed information about the traffic situation on the current route and potential diversions. 3-year subscription.	■	■
6AN Concierge Service, provided by the BMW Contact Centre. Offers the driver person-to-person assistance for selecting destinations and planning a journey. Telephone numbers and address data for the navigation system can be transmitted directly from the BMW Contact Centre to the vehicle. 3-year subscription	■	■
6AP Remote Services, in conjunction with BMW i Remote App for Android and Apple devices. Access to vehicle data such as battery charge status, range, along with remote functions such as door lock/unlock. Also allows you to pre-condition the vehicle interior to desired interior temperature. Lifetime subscription	■	■
6AR Internet, while in a stationary vehicle. Viewing in the Control Display, operation by iDrive controller. 1-year subscription		■

<sup>4</sup> ConnectedDrive Services are subscription-based services and require a current subscription to 6AK Connected Drive Services and Apps (except 6AC Intelligent Emergency Call and 6AE TeleServices which are permanently activated). All ConnectedDrive Services can be renewed via an online store. Further information on ConnectedDrive Services is available from your BMW Dealer.
