

The Ultimate
Driving Machine

THE NEW BMW i8.

MODELS.

	Model code	Recommended Retail Price	Acceleration 0-100km/h (sec)	Top speed (km/h)
i8				
i8	2Z22	\$281,200	4.4	250 (restricted)

	Engine type	Cylinder / Capacity cm ³	Power / Torque	Combined fuel / energy consumption ²	CO ₂ emissions
eDrive	Electro-synchronous	-	96 kW 250 Nm	11.9 kWh/100km	-
Petrol	TwinPower Turbo	3-cylinder 1,499cc	170 kW 320 Nm	2.1 l/100km	49 g/km

Range	
Electric range (NEFZ)	37 km
Maximum overall range, combined	600 km
Charging Time	
Household 240V AC wall socket	< 2.5 hours (to 80% charge)
AC quick-charge BMW i wallbox	< 2 hours (to 80% charge)

Recommended Retail Price includes GST, but excludes on-road costs such as Dealer delivery charges and registration.

²⁾ Fuel consumption is determined in accordance with the ECE driving cycle. CO₂ emissions are measured in addition to fuel consumption. Optional equipment may increase these values.

■ Standard □ Optional NCO No Cost Option

STANDARD EQUIPMENT.

i8

Drivetrain and technology	
Li-Ion battery, consisting of 6 modules. 7.1kWh gross / 5.1kWh available, 355.2V nominal voltage ³	■
All-wheel drive plug-in hybrid drivetrain concept, with an electric motor delivering drive to the front wheels and a petrol engine delivering drive to the rear wheels. With Intelligent Energy Management System.	■
BMW eDrive electric motor, 360V DC. Front-mounted. Cooling via liquid cooling circuit	■
BMW TwinPower Turbo 3-cylinder petrol engine featuring high performance turbocharging, VALVETRONIC and high-precision direct fuel injection system. Rear-mounted	■
Steptronic transmission <ul style="list-style-type: none"> - Front axle for electric motor: 2-speed transmission with electrically-actuated mechanical switching - Rear axle for petrol engine: 6-speed automatic transmission with electric switching actuator 	■
Brake energy regeneration	■
Servotronic variable Electric Power Steering (EPS)	■
Condition Based Service, inspections are scheduled to suit the way in which the car is driven	■
Drive Performance Control with Comfort and ECO PRO modes	■
eDrive mode for pure electric driving	■
Start/Stop button with Comfort Go keyless start	■

Charging	
Charging flap on front left side panel, illuminated, integrated into central locking system, with visual display of charging status	■
Charging cable, 5m length with storage space under engine compartment lid. For contingency charging when an AC wallbox is not available	■
AC fast charging capability. Max. Power (grid side): 3.7 kW (1-phase 230 V, 16 A), charging duration: up to 2 hours to 80%, AC plug type 1	■

Safety	
Airbags: driver and front passenger airbags, curtain head airbags in the front and rear, side airbags for driver and front passenger (seat-integrated)	■
Brakes: disc brakes at the front and rear, ventilated	■
Battery safety cut-off, from drivetrain high voltage battery and ancillary 12V battery	■
Central locking with electronic immobiliser, crash sensor	■
Dynamic Braking lights, flashing brake lights and hazard indicator under extreme braking	■
Dynamic Stability Control (DSC) incl. Antilock Braking System (ABS), Brake Assistant, Cornering Brake Control (CBC) and Dynamic Traction Control (DTC). With pullaway assistant, dry braking and braking readiness	■
Lightweight Carbon Fibre Reinforced Polymer (CFRP) body structure	■
Parking brake, electromechanical	■
Seat belts: three-point inertia-reel seat belts with belt tensioners and belt force limiters, for all seats	■
Anchor points for up to two ISOFIX child seats in rear	■
Headrests integrated into front seat's backrest	■
428 Warning triangle and first aid kit	■
4U9 Acoustic pedestrian protection, artificially generated sound when driving in pure electric mode, up to 30 km/h to protect other road users	■

³⁾ The BMW lithium-ion high-performance battery ("high-voltage battery") provides a long service life. For the first 100,000km and a maximum of eight years, any defects of the BMW i8 high-voltage battery will be rectified cost-free and a capacity of 70% guaranteed. CO₂ emissions generated in production and the provision of fuel or other energy sources not accounted for when calculating CO₂ emissions.

■ Standard □ Optional NCO No Cost Option

STANDARD EQUIPMENT.

Wheels and tyres	
2HP 20" BMW i light alloy wheels, turbine style 625, front 7.5 J x 20" with 215/45 R 20 tyres, and rear 8.5 J x 20" with 245/40 R 20 tyres. Snow chains cannot be fitted. Without run-flat technology.	■
BMW Mobility Kit with tyre sealing system	■
2VB Tyre pressure indicator	■

Exterior design and equipment	
Kidney grille, with black high-gloss centre and contrast surround	■
Carbon Fibre Reinforced Polymer (CFRP) roof	■
Aluminium bonnet with V-belt styling in two-tone high-gloss black and body colour	■
Butterfly Door design, with lifting / turning function upwards towards the front. Gas pressure / spring strut to assist with opening and closing. Aluminium exterior with carbon fibre composite structure	■
Window recess cover in high-gloss black	■
Brake callipers in high-gloss black and BMW i designation	■

Driver assistance	
508 Park Distance Control (PDC), front and rear	■
544 Cruise control with braking function	■
5AS Driving Assistant. Camera-based driver assistance system package consisting of high-beam assistance, person warning with light city braking function and approach control warning with light city braking function. Additionally 4-side top view and side view with object recognition providing support during parking and manoeuvring via virtual representation of the vehicle and its surroundings on all sides from above (top view). Side view using the front camera in the bumper in situations where visibility is restricted.	■
610 BMW Head-Up Display	■

Interior design and equipment	
4 seat configuration	■
Instrument cluster, 8.8" colour TFT display with speedometer, range information, power and battery regeneration display	■
12V power socket, 1 in centre console storage compartment, 1 under instrument panel on passenger side	■
473 Armrest, front centre. Foldable with integrated storage compartment	■
Sports leather steering wheel with multifunction buttons, three-spoke, with unique BMW i blue accent and gearshift paddles	■
534 Automatic air conditioning, with fully automatic temperature and air volume control, including solar sensor and fogging sensor, Max-Cool button, automatic air recirculation and active carbon microfilter. Including auxiliary ventilation - electric air conditioning compressor and electric heating system	■
322 Comfort Access System, keyless vehicle access and engine start	■
493 Storage compartment package, including: storage net in front centre stack, holding straps on luggage compartment side trims, 12V socket in luggage compartment, storage net on front seat backrests	■
Cup holders, 1 in centre console ahead of storage compartment, 2 in centre console behind storage compartment	■
4FG Seat belts in BMW i blue	■
4AA Headlining in anthracite	■
494 Seat heating for driver and front passenger	■
458 Electric front seat adjustment. Seat backrest forward folding for rear seat access, mechanical	■
Leather covered instrument panel	■
Floor mats in velour	■
Engine cover, trimmed in leather	■

■ Standard □ Optional NCO No Cost Option

STANDARD EQUIPMENT.

Light and Sight	
5A4 LED headlights with extended contents, for dipped beam headlights, city and cornering lights, parking lights and daytime driving lights	■
521 Rain sensor, for automatic activation / interval control of the windscreen wipers and automatic activation of the driving lights when dark	■
430 Interior and exterior mirrors with automatic anti-dazzle function, including electric folding function	■
563 Lights package, including contour illumination of doors and centre fresh air vent, ambient illumination of centre console, footwell illumination	■
LED high-level brake light integrated in rear spoiler	■
Rear fog light	■

Entertainment, communication and information	
6NS Convenience telephony with extended Smartphone connectivity Provision for snap-in adapter (available separately through Genuine BMW Accessories) for charging function and connection to external aerial Includes Voice Control, and extended Bluetooth functionality such as audio streaming, pairing of multiple devices and more, depending on the features of the Bluetooth/USB device Check the compatibility of your mobile phone at bmw.com/Bluetooth	■
Radio Professional, 4 x 25W speakers, dual FM tuner with aerials integrated in front and rear screens	■
609 Navigation System Professional, including free-standing 10.25" full colour display with 1280 x 480 pixel resolution. Navigation system with route planning by individually defined criteria and dynamic route planning. Full operation by iDrive controller with direct select buttons. 8 programmable favourite buttons – can be used for menu pages, radio stations or favourite destinations	■
654 DAB+ digital radio tuner, enables digital radio reception with sound quality on par with a CD. Additional track and artist information transmitted as radio text. New Zealand digital radio network is currently extremely limited.	■
674 HiFi loudspeaker system Harman Kardon, 11 high-end loudspeakers, 360W digital amplifier, harman/kardon designation as aluminium clasp on the tweeters in the door trims	■
On-board computer, incl. average speed, current range, clock and date, navigation information, and service interval messages	■
USB audio interface, enables connection of an MP3 player, Apple iPod or USB memory stick via the USB interface	■

ConnectedDrive Services ⁴	
6AC BMW Intelligent Emergency Call, automated transmission of vehicle accident information and telephone call for assistance to the BMW ConnectedDrive Call Centre. Emergency services are informed and deployed if required. Manual emergency call can also be initiated via the SOS button. Lifetime subscription	■
6AE TeleServices, automated transmission of service-related vehicle data to the service dealer. Includes TeleServices Battery Guard and BMW Breakdown calls to Roadside Assistance. Lifetime subscription	■
6AK ConnectedDrive Services and Apps, contains the mobile internet portal BMW Online (incl. access to emails, weather information, news) and permits the integration of certain smartphone applications (Apple and Android devices), such as e.g. BMW Connected App. 3-year subscription	■
6AM Real Time Traffic Information, supplies real-time traffic information on motorways, minor roads and urban links, with detailed information about the traffic situation on the current route and potential diversions. 3-year subscription.	■
6AN Concierge Service, provided by the BMW Contact Centre. Offers the driver person-to-person assistance for selecting destinations and planning a journey. Telephone numbers and address data for the navigation system can be transmitted directly from the BMW Contact Centre to the vehicle. 3-year subscription	■
6AP Remote Services, in conjunction with BMW i Remote App for Android and Apple devices. Access to vehicle data such as battery charge status, range, along with remote functions such as door lock/unlock. Also allows you to pre-condition the vehicle interior to desired interior temperature. Lifetime subscription	■
6AR Internet, while in a stationary vehicle. Viewing in the Control Display, operation by iDrive controller. 1-year subscription	■

⁴ ConnectedDrive Services are subscription-based services and require a current subscription to 6AK Connected Drive Services and Apps (except 6AC Intelligent Emergency Call and 6AE TeleServices which are permanently activated). All ConnectedDrive Services can be renewed via an online store. Further information on ConnectedDrive Services is available from your BMW Dealer.
